Maria Blanca O. Kua, M.D.
Karl C. Yu Kim Teng, M.D.

Russellini R. Magdaong, M.D.
Immediate Past President

To: All Diplomates of PSDE

The Philippine Society of Digestive Endoscopy (PSDE) in connection with the celebration of the forthcoming COLON CANCER AWARENESS month in March will be launching a nationwide Lay Fora on Colon Cancer to raise awareness about this dreaded condition and to encourage people to be screened for its prevention.

In line with this, the PSDE Board kindly asks the Diplomates of PSDE to lecture and be part of the lay fora as this is a requirement for you to be conferred a Fellow of PSDE.

We have prepared lecture slides about colon cancer screening to be downloaded from our Website www.psde.org.ph for your perusal. You may modify these slides according to your needs.

You may conduct the lay forum in your respective hospitals, clinics or health institutions starting on the second week of February up to the third week of March. Proper documentation during your lectures is required in the form of video recordings or pictures. Thereafter, you will be issued a certificate of participation by the society.

We thank you for your participation in this program.

Mabuhay and God bless you all.

David M. Banayo, MD
President
Philippine Society of Digestive Endoscopy
